

We're looking for a pile of props that look vaguely 19th century to dress the barricade.
The following is a list of items that would be great, & the items do not have to be limited to this list.

PLEASE NOTE anything donated to the revolution will likely need to be *screwed down, altered or damaged*, so don't send Grandma's favorite coffee table!

Thanks!

Wooden Doors

Palates

Wooden Chairs

Wagon Wheels

Wooden tables

Wooden Dressers

Balusters/ spindles

Crates

Wooden Barrels

Wooden Ladders

Bed Headboards

Old wooden upright piano (preferably something ready for the curb)

Old Steamer trunks

Head/foot boards

Window grates/ Iron fence pieces

Architectural details

Gas carriage lamps
